I congratulate each and every member of the school as we celebrate the remarkable milestone in the first public exam. This resounding success must be maintained. We have always strived for excellence and I am thrilled that our collective efforts have borne fruit.

The dedication, hard work and unwavering commitment of our students, faculty, staff and supporters have propelled us to new heights of achievement. Together, we triumph, and for that, I am profoundly grateful. The hallmarks of Dharav have been its ability to adapt, innovate and excel in a rapidly changing landscape. We have embraced challenges as opportunities and emerged stronger with each trial. Our academic programs have continued to receive accolades.

We have nurtured a culture of inclusivity, diversity and collaboration that sets us apart as a place of learning and growth. Our achievements would not have been possible without the steadfast support of the parents. Your trust in us, your continued engagement and your shared vision have been instrumental in propelling us forward. As we bask in the glow of our accomplishments,

I want to remind all of us that our journey is far from over. The road ahead is filled with new challenges and opportunities and I have no doubt that we will continue to rise to the occasion. Let our success today serve as a testament to what we can achieve when we work together with purpose and determination.

MS. ADITI MISRA **DIRECTOR**

As I flip through the pages of this newsletter, I am reminded of the incredible talent, creativity and dedication that define our school. It is a source of immense pride for me to witness the growth and accomplishments of our students and the unwavering commitment of our teachers and staff. Our students continue to excel in their academic pursuits, constantly pushing the boundaries of knowledge and innovation. They are not just learners; they are thinkers, dreamers, and leaders of tomorrow.

I commend each one of you for your hard work and determination in your academic journey. The teachers, mentors and support staff play an indispensable role in shaping the minds and character of our students. Their unwavering

dedication to nurturing young minds and fostering a love for learning is at the heart of our school's success. Beyond academics, the school community is known for its strong sense of values, ethics and compassion. Our students engage in various community service projects,

helping those in need and making a positive impact on society. This spirit of giving back is a reflection of the core values we instil in our students.

MS. SEEMA SEHAJPAL **PRINCIPAL**

We are a school with a difference! We prioritize collaboration, creativity and innovation, aiming to nurture these qualities in our students. I firmly believe in upholding high standards and am absolutely committed to enhancing the educational process through innovative teaching methodologies, ensuring that we bring out the innate skills of our students.

I eagerly look forward to working in synergy, as we collaborate to create a school where parents are valued partners, students are actively engaged in meaningful learning and team members are appreciated for their efforts.

While academic excellence remains our primary focus, the school is also dedicated to preparing students to face the challenges of tomorrow and encouraging them to be socially relevant.

We continually strive to live up to this ideology by embracing the principles of critical thinking, collaboration, creativity, effective communication skills and compassion. My commitment to our

community is to lead the school with dedication, earnestness and empathy, always striving to achieve our goals.

HE WHO IS COURAGEOUS ENOUGH TO TAKE RISKS ACCOMPLISHES THE GOAL IN LIFE.

The meritorious students of Dharav High School, Jaipur have blazed the trail and proved their mettle with the laudable Class X Board Results. Sarthak Agarwal, a student par excellence, has scored 98.8% to become the City Topper closely followed by another brilliant student Koustub Yadav scoring 97.2% and not far behind, Manushree Kalwadiya niched a place in the tally scoring 96.6%.

Under the able guidance of worthy mentors, the students have been able to produce 100% results with five perfect hundreds, one each in Science, Mathematics, Sanskrit, French and Artificial

Intelligence. Out of Sixty-six students 19 have been able to score above 90 % and 23 have been able to make a place in the bracket of 80-89%, a feat worth appreciation. The school average stands at a good 81.33%. The Principal, Ms. Seema Sehajpal, congratulated the staff and students for their diligence, dedication and consistency of efforts to produce such a marvellous first Board result. Parents have also been highly appreciative of the painstaking, committed and tireless efforts of the institution to help their children achieve such a phenomenal feat.

LET'S TAKE A SELFIE (WELCOME TO SCHOOL)

A cheerful 'Welcome' gives children a positive start to their school journey. To make this journey an exciting and happy experience "Welcome Day- Let's take a selfie" activity was organized on 4 April for our little ones of classes Pre-Nursery-II. Teachers greeted children at the entrance with open arms and love. The children were given crowns to create a joyful and friendly atmosphere and teachers clicked their pictures in different selfie corners prepared on various themes. The day was full of fun and frolic.

FOLDING DREAMS INTO REALITY

The art of origami isn't just about folding paper; it's about creatively expressing one's inner self while skillfully utilizing motor skills. With a touch of art, a sprinkle of geometrical skills, and a whole lot of fun a 'Fun Time Folding Time' origami activity was organized for students of grades Pre-Nursery to II on 12 and 13 April. The children thoroughly enjoyed creating paper boats, monkeys, frogs, umbrellas, etc. This activity sparked curiosity, fostered collaboration, nurtured creativity, and subtly taught children the principles of proportionate folding, enabling them to successfully complete the task.

BEAT THE HEAT: RAIN DANCE PARTY

The Rain Dance Party organized for the children of the Primary section on 25 April was a delightful and memorable event. The young children were filled with excitement, animation, and exhilaration as they participated in this unique experience. The Pre-Primary wing was beautifully decorated with garden umbrellas and a brightly coloured 'Selfie-Corner.' These decorations added to the joyous atmosphere and created a sense of celebration. As the water sprinkled down, the children splashed and danced with enthusiasm. They embraced every drop of sparkling water and let themselves loose, enjoying the freedom and fun of the rain dance. The Rain Dance Party was a resounding success, leaving the children with cherished memories and valuable life lessons. It reminded them to embrace the present moment, find joy in simple pleasures, and approach life with enthusiasm and a positive mindset.

BLUE PLANET DAY

Blue Planet Day Activity was organized for three days for the Primary students with the aim of educating them about the necessity of making our planet more sustainable, healthy and habitable. During these three days, various activities were conducted to disseminate basic information on conserving the Earth and its resources. The students recited poems about the significance of Earth Day and the importance of taking care of our planet. They were taught the techniques of recycling through a practical craft activity using old newspapers. This hands-on experience helped them understand the process of recycling and how reusing materials can contribute to reducing waste and conserving resources. On the final day of 'Blue Planet Day', a plantation activity was organized. The students learned about the vital role that plants play in saving the Earth. Through these activities children learned practical ways to contribute towards making the Earth a better place to live.

MY ANGEL, MY MOTHER

The Mother's Day celebration held on 13 May, 2023 was a heartwarming event where our young students expressed their love and appreciation for their mothers. The children were taught the importance of showing gratitude to their mothers. The mothers were delighted to be a part of this event, knowing that their children wanted to honour them.

Each child presented the mother with a handmade card, which added a personal and heartfelt touch to the occasion. To make the celebration even more enjoyable, various fun activities were organized for the mothers. These activities aimed to showcase their creativity and dancing skills, providing a platform for them to express themselves. Overall, the Mother's Day celebration was a beautiful and overwhelming experience for both the mothers and their children.

SESSION ON SAFETY RULES

An informative session was conducted on safety rules for young children which is crucial in ensuring their well-being and empowering them with knowledge to protect themselves. Teaching children the difference between good touch and bad touch is an essential aspect of personal safety education. By understanding this distinction, children are better equipped to recognize and report any inappropriate behaviour that may occur.

The session also covered safety measures in various settings – on the road, in water, in school and at home. By providing a follow-up worksheet, the children were given an opportunity to reinforce what they learned. By instilling this awareness at a young age, children are more likely to develop lifelong habits of prioritizing their safety and seeking help when needed.

YOGA: A HOLISTIC APPROACH TO WELLNESS

Yoga is a practice that has been around for centuries and has gained immense popularity in recent times. It is not just a physical exercise, but a holistic approach to wellness and self-care.

Keeping in the mind, a yoga session was organized for the students of classes Pre Nursery to II on 13 July 2023. The instructor Dr. Sunita Agnihotri taught the students different yoga asans and encouraged them to continue this healthy lifestyle. Students enthusiastically participated and radiated a sense of peace and tranquility.

The Principal, Ms. Seema Sehajpal, explained to the students that yoga is a great way to stay healthy and wise. It has the power to change our lives in a positive way. She encouraged them all to make yoga a part of their daily routine.

FUN RACES

“All work and no play makes Jack a dull boy”, an apt quote to instil the spark of willingness and excitement among our children. Hence, to kindle the spirit of sportsmanship among the budding stars of our school, we ventured into various fun races organized on 12 July, 2023 for classes Pre-nursery to Class II with real zeal, excitement in frolicsome atmosphere.

Children participated in races like stepping on tyres, finding the path, crawling through hurdles, balancing the cone and walking on the zig zag path and jumping through hula-hoop.

The Principal, Ms. Seema Sehajpal, emphasised that these games are very important for their health and well-being and also help to develop balance and coordination.

DROP EVERYTHING AND READ (DEAR)

The DEAR (Drop Everything And Read) activity was conducted for the students of classes III to V on 6 April. This activity aims to foster reading habits in the growing years and provide a propitious environment for young minds to unwind and broaden their perspectives through the world of literature.

Each child was provided with a book to read and share their views. This not only encourages them to engage with literature but also promotes critical thinking. The Principal, Ms. Seema Sehajpal, plays a crucial role in encouraging the students at Dharav High School to develop a life-long love for reading books of different genres and authors.

THE MAGIC OF RECITATION

On April 27, a poetry recitation competition was held for the students of Class IV. The theme for the competition was 'Nature,' and the poems recited by the students were both thought-provoking and captivating. The event provided an opportunity for the students to learn and showcase their skills in voice modulation, intonation, and pronunciation. The Principal, Ms. Seema Sehajpal, appreciated and encouraged all the participants for their efforts and performances. The atmosphere was filled with a sense of celebration and appreciation for the beauty of nature as the students took turns reciting their poems on stage.

COLLAGE MAKING

Class III students participated in a collage-making activity, called 'Every Drop Counts'. The activity was designed to help the students understand the significance of conserving water and minimizing wastage. The students collected various cuttings related to water conservation and creatively arranged them in a collage. The activity provided the students with an opportunity to express their understanding of water conservation visually. By engaging in such activities, the students were sensitized to the burning issue of water conservation, enabling them to comprehend the value of every drop of water and the need to conserve it. Ms. Seema Sehajpal, the Principal of the school encouraged the students to initiate small steps at their level to save water and emphasised that their collective effort would make a significant difference.

DISCOVER THE SCIENTIST

An intra-class competition 'Discover the Scientist' was held on 11 May 2023, for the students of Class V. They enacted some of the famous scientists like Marie Curie, Isaac Newton, Dr Abdul Kalam Azad, Sunita Williams, Kalpana Chawla, etc. Students dressed up and spoke about the achievements of the scientists they portrayed. The activity helped students understand the significance of the discoveries, inventions and achievements of the great scientists.

'TRAILBLAZERS- MATH AROUND US

To make the students aware of math in real life, to understand the logical application of the mathematical theories in practical life, an activity 'Trailblazers-Math Around Us' was organized for students of Class IV on 11 May 2023. The students learnt Mathematics outside their classes and discovered math all around in the school. They also enhanced their artistic skills when they showcased the use of Mathematics on paper in the form of a poster.

GRATITUDE TO MOTHERS

Heartwarming emotions of love, gratitude, and appreciation permeated the atmosphere as the Class III students unleashed their creativity during the Collage Making activity. The purpose of the activity was to highlight the profound significance of mothers in a child's life. With great enthusiasm, the students crafted collages adorned with cherished photographs of their mothers. Each presentation was a unique masterpiece, brimming with astonishing beauty. Ms. Seema Sehajpal, the Principal, wholeheartedly encouraged the students to embrace virtuous values and pursue ethical means to bring joy and pride to their parents. Her words resonated deeply with the young minds, inspiring them to follow the righteous path in their endeavours.

FOSTERING INCLUSIVITY: CELEBRATING EID

A special assembly on Eid was presented by the students of classes III to V on 18 April to promote cultural awareness and a sense of respect for our unity in diversity. The students presented a poem and a skit on the tenets of Islam, which proved to be extremely informative and enlightening. This event provided participating students with an opportunity to explore and learn more about the diverse cultures that exist in India. The assembly concluded with a soulful qawwali, expressing gratitude to God for His endless blessings.

THE SCIENCE FAIR

The young science enthusiasts of Dharav High School, Jaipur organized a science exhibition 'The Science Fair' on May 19, 2023, exhibiting models on various topics from robotics, to energy transformation, to health and wellness. The exhibition featured a diverse range of projects and activities that covered various scientific disciplines and principles through both working and non-working models. The students from classes III to XI participated in the activity. Their endeavour was highly appreciated by the school Principal Ms. Seema Sehajpal.

FUN FILLED OBSTACLE RACES

Dharav High School believes in preparing students for life by providing opportunities to face any challenge in the future. Keeping the above thought in mind and preparing students for the future, an intra-class 'Obstruct the Field' race was organized for the students of classes III to V. Many fun filled obstacles were presented to check their fitness and presence of mind. The school Principal, Ms. Seema Sehajpal congratulated the winners and other participants for their wonderful fitness on the field.

TALENT HUNT, A MUSICAL EXTRAVAGANZA

The Talent Hunt at Dharav High School, organized on 13 May 2023, was an Inter-class Dance and Music competition aimed at showcasing the dedication and perseverance of the students. The event was made possible by the unwavering belief of the Principal, Ms. Seema Sehajpal, in the abilities of the students. The Talent Hunt provided an opportunity for the students to display their skills and talents in solo western dance and vocal music performances. It provided a platform for them to showcase their skills, boost their confidence, and encourage their passion for music and dance.

INTER- HOUSE MATH QUIZ

An Inter-House Math Quiz was organized for the students of classes VI to VIII on 28 April 2023 to help them correlate the theoretical knowledge with its practical application in real life. The quiz comprised three rounds: MCQ, Audio-Visual and Rapid-Fire which tested the mathematical aptitude, reasoning ability, time management and collaborative efforts of the participants. The quiz was intriguing and engaging and helped the students build greater confidence and mental prowess. The event was an enjoyable learning experience at the same time.

Interactive session with **MR. ZEESHAN ALI**

Mr. Zeeshan Ali, a renowned tennis player who serves as the National Davis Cup Coach and the Director of the National Tennis Centre in Delhi, was present in an interactive session with students from classes VI to VIII on April 10, 2023.

During this session, Mr. Zeeshan Ali shared his own experiences and provided tips on how to balance

sports and academics effectively. He emphasized the significant impact of participating in sports activities on academic performance. Ms. Seema Sehajpal, the school Principal, expressed her gratitude to Mr. Zeeshan for generously sparing his time and sharing his expertise with the students.

SKILL SPHERE EDUCATION

Dharav High School is committed to providing quality learning opportunities that prepare students with the knowledge and skills they need to progress. In sync with this mission, a three-day programme, 'Indiation' was organized by Skillsphere Education for the young Dharavites of classes VI and VII from 23 May to 25 May 2023. Led by Ms. Suzana Penugula, the workshop aimed to deepen students' understanding of India by exploring both its positive and negative aspects, as well as their roles as Indians. The workshop included interactive activities showcasing India's cultural heritage, quizzes, group discussions, poster presentations, advertisement development, and debates.

The event concluded with a mini utopian parliament activity where students demonstrated their newly acquired knowledge and skills. The Principal, Ms. Seema Sehajpal acknowledged the efforts of the organizing team and commended the students for their keen interest and involvement in the activities, which enriched their knowledge about their nation.

JALLIANWALA BAGH MASSACRE DAY ASSEMBLY

The students of Class VIII organized a special assembly on the theme of the Jallianwala Bagh Massacre on April 13, 2023, with the intention of honouring the martyrs and paying tribute to their sacrifices. The objective of this assembly was to instil in the students the values of strength and resilience in the face of adversity.

The assembly commenced with a speech that shed light on the Jallianwala Bagh Massacre, sensitizing the students to the sacrifices made by innocent people and the pivotal role this incident played in galvanizing the Indian Independence Movement. By incorporating inspiring thoughts and messages, the assembly aimed to foster strength and a positive mindset among the students, empowering them to face challenges with determination and unwavering spirit.

WORLD MALARIA DAY

On the occasion of World Malaria Day and World Intellectual Property Day, the students of Class VIII conducted a special assembly on April 26, 2023. The assembly featured inspiring thoughts and a speech creating awareness about patents, copyrights, trademarks and designs which are the important aspects of intellectual property. The students presented a skit on malaria to highlight the precautions that can be taken to prevent the disease. There was a song and a poem recitation on taking care of our health.

TABLE TENNIS COMPETITION

Table tennis is an exemplary game that involves quick movements, and players must have the necessary skills to be in a position to make the movements. An Inter House Table Tennis competition was organized for the students of classes VI to VIII from 10 July 2023 to 13 July 2023 for both boys and girls. In Class VI girls' category, Empathy house stood First, whereas in classes VII and VIII Integrity house secured the First position.

In Class VI, in the boys' category, Empathy house secured the First place. In classes VII and VIII, Loyalty house stood First. The school Principal, Ms. Seema Sehajpal appreciated the students for their remarkable hand-eye coordination and congratulated the winners.

ENGLISH POETRY RECITATION

Recitation is the art of giving life to words, infusing them with passion & meaning and connecting the poet's heart to the listener's soul.

Parnassus, an Inter-House English Poetry Recitation Competition was organized on July 14, 2023, to ignite poetic flair among students. The students of classes VI to VIII participated in three categories, enthraling the audience with passionate recitals of poems by famous poets such as Sarojini Naidu, Rabindranath Tagore, Rudyard Kipling, William Wordsworth, and William Shakespeare.

The event served as a platform for students to showcase their talent, confidence, expression and articulation. The Principal, Ms. Seema Sehajpal appreciated the literary pursuits of all the participants, encouraging other students to participate.

ADITYA SINGH: A YOUNG PRODIGY

A seed neither fears light nor darkness but uses both to grow. Sometimes, a good seed comes out with unexpected but wonderful fruit. Aditya Singh, a Dharav High School student of Class XII, came out with such a wonderful achievement that has made everyone beam with pride. The school takes immense pride in Aditya Singh, who has designed a low-cost Neo Cool-Brain Cooling Machine that would benefit newborn babies, saving them from perinatal asphyxia.

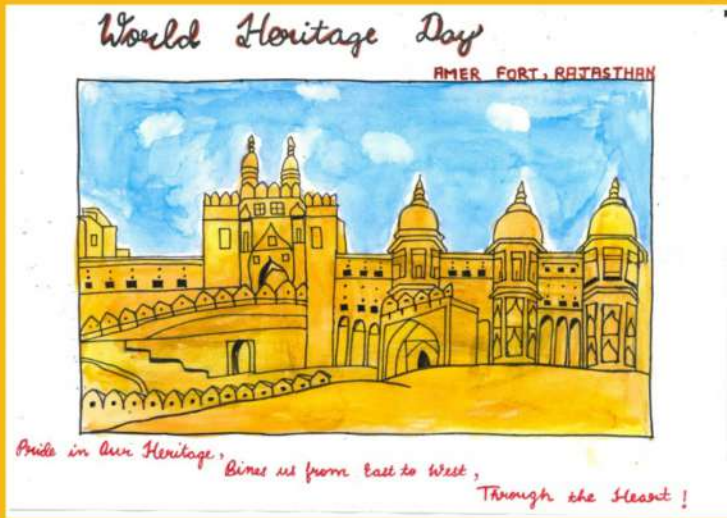

The machine developed by Aditya Singh would cost only Rs 50,000 against the imported similar machines that cost Rs 14 lakh per unit. Aditya has been mentored by Dr Yogesh Yadav and biomedical engineer Ganesh Kumar Prajapati. Dharav High School Principal, Ms. Seema Sehajpal, and the staff wish him success and bless him for many more such contributions to the service of the society.

ORIENTATION PROGRAMME

As an architect you design your present to accomplish your goal in future on the basis of your awareness about available opportunities. To bridge the gap between awareness and opportunities, an orientation programme was conducted for the students of Class XI on 5 April'23. It was an extremely informative and illuminating session. Students learnt about various career goals available in each stream, be it Science, Commerce or Humanities through the sessions conducted by the knowledgeable teachers of each stream. Students were also apprised of the CBSE registration process, scholastic and co-scholastic activities, the system of examination and the general code of conduct. It was an absorbing session.

WORLD HERITAGE DAY

World Heritage Day was celebrated with the aim of raising awareness among students about the importance of preserving heritage sites.

The Social Science Department took the initiative to organize a variety of activities that would enable students to connect with the rich history of our country. Students in classes IX and X were given the opportunity to delve into research and create informative and artistically designed posters and travel brochures highlighting various heritage monuments. On the other hand, students in grades XI and XII were tasked with preparing display boards showcasing different World Heritage Sites of India.

Ms. Seema Sehajpal, the school Principal, shared her perspective on the occasion, emphasizing that taking pride in the remarkable achievements of our past can serve as a driving force for our future endeavours. She believes that this sense of pride can motivate us to strive for excellence.

INTER HOUSE ONLINE SCIENCE QUIZ

An Inter House Online Science Quiz was organized by the Department of Science for the students of classes IX to XII on 29 April 2023. The students showcased their brilliance by rapidly answering the questions. Such activities not only test the students' knowledge but also encourage teamwork, collaboration, and healthy competition. By participating in such events, students develop their critical thinking abilities, problem-solving skills and enhance their scientific temperament. The school Principal, Ms. Seema Sehajpal, recognizes the importance of such competitions by providing opportunities for students to showcase their brilliance and rewarding their efforts.

CAREER OPPORTUNITIES

The career counseling session organized by Top Rankers aimed to guide students of classes XI and XII in exploring various advanced career options beyond the traditional fields of engineering and medicine. The resource persons highlighted the availability of a wide range of career opportunities in fields such as Management, Design, Law, and Architecture. The session focused on helping students understand the diverse career paths available to them.

The students were encouraged to explore and strategize their choices effectively considering their interests and aptitude. The resource persons discussed the different aspects of each field, including the educational requirements, job prospects, potential growth, and the skills and qualities needed to excel in these careers. Indeed, it was an enlightening session.

KNOCK KNOCK

Mr. Anurag, the founder of Pencil Box, organized a workshop called "Knock Knock" for students in classes IX to XII. The main objective of the workshop was to unlock and enhance the latent creativity in every individual. The workshop employed various comic activities with pun on words and ideas to engage the students' minds. The workshop centered around mental exercises and mind mappings, which are techniques aimed at stimulating creative thinking. By fostering creativity, the workshop aimed to empower the students and equip them with valuable skills for their personal and academic growth.

SOLVE FOR TOMORROW

A workshop was organized at Dharav High School, Jaipur, to cater to the entrepreneurial mindset among students and provide them with a platform to kick-start their own ventures in the dynamic world of start-ups. The resource persons, Mr. Aditya Mulay and Mr. Harsh Jhanjharia, graduates in Engineering from IIT Delhi currently working as members of CSR (Corporate Social Responsibility) aimed to inspire and educate the next generation of entrepreneurs to identify business opportunities, develop innovative solutions and participate actively in 'Solve for Tomorrow', a national education and innovative competition. The Principal, Ms. Seema Sehajpal who believes in fostering entrepreneurial skills and critical thinking abilities in students, ensured an ideal platform for this transformative experience for students.

CAREER GUIDANCE

Dharav High School, Jaipur is earnestly committed to its duty to develop a vision amongst the growing students that they are better equipped to choose a career option suited to their attitude, aptitude and capabilities. Pragya Kathri, an earnest IIM-A student and Vanshika Jain, an erudite student of the Indian School of Economics were invited to their alma mater to guide the students of classes XI and XII. Both alumni stressed the necessity of consistency in performance and curtailing too much exposure to social networking sites. The school Principal, Ms. Seema Sehajpal, has always encouraged the students to set goals and dedicate themselves to accomplishing them. Madam thanked both, Ms. Pragya and Ms. Vanshika for giving some valuable tips to the students.

THE PALACE MUN

An MUN is a learning and enriching experience for the students, as it allows them to learn, grow, and understand the world around them. Our school participated in the Second Chapter of The Palace MUN, held at The Palace School, Jaipur. Dishita Agarwal of Class XI B outshined the other students by earning a special mention in UNHRC as a delegate. Overall, it was a great platform that provided an opportunity to the students to learn a great deal about the working of the United Nations.

VISIT TO INSOLATION ENERGY LTD

The visit to Insolation Energy Ltd. on 24 April 2023 provided senior students of classes XI and XII with a valuable opportunity to explore the world of renewable energy. The primary objective of the visit was to give students insight into the generation of solar energy. The students were given a comprehensive briefing by a team of experts.

WAX MUSEUM: FIELD TRIP

A field trip to the Wax Museum at Nahargarh, Jaipur, was organized on 28 April 2023, for the students of classes XI and XII, specifically those studying Humanities. The primary objective of this trip was to refresh and arouse interest in learning of history among the students.

The Jaipur Wax Museum is a unique attraction as it is situated in a heritage palace. One of the most remarkable sections of the museum is the Sheesh Mahal, also known as the Palace of Mirrors. Students were mesmerised to see this section which is adorned with over 2.5 million pieces of glass in various colours, creating a dazzling and enchanting display. This exclusive venue provides an immersive experience, transporting visitors back in time to the era of royalty.

They explained how solar panels utilize photovoltaic cells to convert sunlight into electricity; the working of solar panels; the way electricity is generated and how the solar panels are connected to the main grid to provide electricity to homes and business units. Overall, the visit to Insolation Energy Ltd. served as a valuable educational experience for the senior students.

EDUCATIONAL VISIT FOR BIOLOGY STUDENTS

The "Exhibition on Life Science" held at Sawai Man Singh Medical College in Jaipur on February 25, 2023, provided valuable information about modern-day diseases, their treatment, and the latest medical equipments used to cure them. The exhibition was an excellent opportunity for students to gain insight into new procedures and techniques in the field, specifically related to human anatomy, physiology, microbiology, and biochemistry. The exhibition provided a platform for interactive learning, allowing students to engage with professionals and experts in the field. They asked questions, sought clarification, and deepened their knowledge through discussions.

VISIT TO THE SMS PSYCHIATRIC HOSPITAL

The school Principal, Ms. Seema Sehajpal always emphasizes helping the students become more compassionate and empathetic. With an aim to have a better understanding of the mentally challenged community of society, the students of Psychology, classes XI and XII were provided an opportunity to visit the SMS Psychiatric Hospital on 15 May 2023. The students had a full insight into the working of the hospital. Such a real-life experience will help students become humbler and more caring and will help in the holistic development of their personalities. They are the ones to turn on the light in the darkest corners.

BEST HERITAGE CLUB AWARD

Dharav High School in association with INTACH has created ample opportunities for the students to uphold heritage. In the club activities of the organization, the school secured special mention in INTACH Heritage Education Programme. Kunjal Agarwal, Deyanshi Rawal and Shreya Agarwal, who are at present in Class X, received Best Heritage Club Student's Award for the session 2022-23.

The school Principal, Ms Seema Sehajpal expressed satisfaction at the achievement of the students and wished all to work harder for betterment of self and the school.

FAIR PLAY TROPHY

1st talent Cup U-16 Cricket Tournament was organised by MRM Cricket Academy, Hathoj, Kalwar Road Jaipur. A total of 8 teams participated. Dharav High School, Jaipur bagged the Third position and received the 'FAIR PLAY TROPHY' in this tournament.

INTER-HOUSE FOOTBALL TOURNAMENT

An Inter-House Football Tournament was held from 2 May to 4 May 2023 for the students of classes IX to XII. Team Loyalty won the First position.

INTER HOUSE CRICKET COMPETITION

Inter House Cricket Competition was organized for the students of classes III to V. All the participants from the four Houses were filled with great spirit and enthusiasm. Team Empathy proved themselves in the field and came First in the competition. Principal, Ms. Seema Sehajpal appreciated the students for their consistent effort and fitness.

INTER HOUSE CRICKET COMPETITION

The Inter House Cricket Competition for classes IX to XII was recently organized, and it witnessed enthusiastic participation from all four Houses. Among the competing teams, Team Integrity showcased their skills and determination, emerging as the champions of the tournament. They secured the First position with their exceptional performance.

Team Loyalty, with their consistent efforts and teamwork, secured the Second position in the competition. Team Humility, despite finishing in the Third position, showcased commendable sportsmanship throughout the tournament.

INTER-HOUSE BASKETBALL TOURNAMENT

The DHS Inter-House Basketball Tournament was held from 30 May to 2 June 2023, for the students of classes IX to XII in both girls and boys category. The four teams kept the ball dribbling with full energy, having fun and producing captivating shows. All four teams tried their best. Team Loyalty won the First position, Integrity bagged the Second position, and Team Empathy stood Third, in both categories. The school Principal, Ms. Seema Sehajpal, congratulated the winners and advised all to play games and develop the grit and tenacity.

TOPPERS' TALK: A JOURNEY TO THE PINNACLE

SARTHAK AGARWAL

98.8%

CITY TOPPER & FIRST POSITION IN SCHOOL, RANK 3 IN RAJASTHAN

Yes, it is euphoric to earn the coveted position of being the city topper in Jaipur scoring 98.4% and third in Rajasthan. To be honest, I did not visualize myself in that position, but I was confident in scoring 97-98%. I consistently worked hard under the guidance of my cooperative and supportive teachers. My parents were my strength through thick and thin. With each passing Mid-Term and Term examination, my knowledge was polished and my doubts were addressed.

My key to success lay in accepting the challenge and solving as many questions as possible. I owe my success to everyone in my dear school, DHS Jaipur. From the Principal, Madam Seema Sehajpal, for constantly motivating me, to the teachers for honing my academic skills, and my parents for their moral support.

KOUSTUB YADAV

97.2%

SECOND POSITION

We were at school when suddenly the words buzzed into my ears: "Class X Board results declared!" My anxiety levels skyrocketed, and I too felt overwhelmed. With a score of 97.2, I had achieved a good result, placing me at Rank 2 in the school. Instantly, I became more prominent and sought after. The feeling of contentment, the

rush of confidence, and the sweet taste of seeing my hard work pay off were indescribable. Those moments will forever be cherished, leaving behind a warm and pleasurable sensation that everyone should strive to experience.

As for my preparation, it was nothing out of the ordinary. I always focused on my textbooks, navigating through the mazes they presented. Doubts didn't frighten me; my teachers were there to guide and support me. I made a conscious effort to keep social media at bay, which was a battle I successfully won. A blend of my own efforts, the unwavering support of my parents, and the faith my teachers had in me contributed to my success.

MANUSHREE KALWADIA

96.6%

THIRD POSITION

To score 96.4% in the Class X Board Examination and secure the third position in DHS, Jaipur means a lot to me. It has significantly enhanced my confidence and boosted my morale, propelling me to reach even greater heights. Throughout my journey in Class X, I have witnessed tremendous personal growth, transforming into a more focused and dedicated student.

My commitment to regularity in my work, unwavering attention in class, and attentiveness to the advice of my commendable teachers have honed my skills. I wholeheartedly immersed myself in absorbing and assimilating the concepts, diligently revising and re-revising the syllabus. The unwavering constant motivation and encouragement from my parents have further fortified my position.

भावनाओं की मनमोहक झलक

दोस्ती का रिश्ता

दोस्ती अच्छी हो तो रंग लाती है,
दोस्ती गहरी हो तो सबको भाती है ।
दोस्ती नादान हो तो टूट जाती है,
पर अगर दोस्ती सच्ची हो तो इतिहास बनाती है ।
गुजरते हुए कल की याद आती है,
कुछ लम्हों से आँखें भर जाती है ।
हर सुबह शाम रंगीन बन जाती है, जब दोस्तों की याद आती है ।
दोस्त ही दोस्त को राह दिखाता है,
दोस्त ही दोस्त की परवाह करता है ।
मगर यह याद रखना दोस्तों ,
दोस्त ही दोस्त के हमेशा काम आता है ।

पुस्तक

रंग –बिरंगी इस पुस्तक में कविता, गीत, कहानी,
ये बच्चों की दादी अम्मा, प्यारी –प्यारी नानी ।
नहीं मिलेगा इससे बढ़कर, जीवन में हमजोली,
अक्षर–अक्षर सखा सहेली, शब्द –शब्द रंगोली ।
वाक्य –वाक्य है ज्ञान आचरण, रहिमान राखो पानी,
पन्ना –पन्ना इतिहासों का, खुला हुआ दरवाजा ।
एक –एक अध्याय कथानक, बलिदानों का ताजा ।
चित्रकला, विज्ञान, गणित, भूगोल शास्त्र की ज्ञानी ।
तुलसी, मीरा, सूर, कबीरा, वाल्मीकि रत्नाकर ।
प्रेमचंद, टैगोर, निराला, पंत, गुप्त, हरी, दिनकर ।
बूँद–बूँद सागर लहराया, पुस्तक हुई शिवानी ।
पढ़ो– पढ़ाओं रोज ज्ञान का, नया उजाला फैले ।
लेकिन ऐसी पढ़ो न पुस्तक, करें आचरण मैले ।

माँ

सबसे प्यारा बोल है माँ,
रिश्तों में अनमोल है माँ ।
माँ तेरे लिए देंगे जान,
क्योंकि है तू इतनी जो महान ।
तुमने मेरे जीवन की नींव बनाई,
हमें इस संसार में तू ही है लाई ।
सबसे बड़ी गुरु है माँ,
जीवन तुझसे ही शुरू है माँ ।
भगवान से भी है तू बड़ी,
हर दुख में हमारे साथ तू खड़ी ।
संस्कार वे हमें बतलाती,
अच्छा, बुरा हमें सिखाती ।
जीवन का रास्ता हमें दिखाती माँ,
अपने पैरों पर खड़ा होना हमें सिखाती माँ ।
सबसे प्यारा बोल है माँ,
रिश्तों में अनमोल है माँ ।
