

DHARAV HIGH SCHOOL, JAIPUR

ANNUAL REPORT 2023-24

Explore the comprehensive snapshot of our school's year in review with our annual report! Dive into the accomplishments, events, and growth that shaped our vibrant community.

Productivity is always the result of a commitment to excellence, intelligent planning, and focused effort. When the whole world was forced to stay indoors during the pandemic, our students were productively engaged in online activities that enhanced learning and maximized their potential to survive in this ever-changing world.

Active learning is, in short, anything that students do in the classroom other than merely passively listening to an instructor. A constructive learning approach with hands on, creative, participative activities kept the students occupied to suit the new normal.

The Graduation Ceremony of Grade Prep at Dharav High School, Jaipur, held on March 15, 2024, marked a poignant milestone for young learners and their proud parents. Led by Principal Ms. Seema Sehajpal, the ceremony commenced with a traditional lamp lighting, symbolizing the enlightenment of education. Amidst vibrant performances and heartfelt blessings, Prep students received their Graduation Certificates, embraced with pride and encouragement. As the ceremony concluded with gratitude from Chetanya Dewal and the masterful conduct of Nitya Agarwal, Shreshth Agarwal, and Eklavya Singh Chauhan, it encapsulated a celebration of achievements and the promise of bright futures ahead.

NEP 2020 workshop

“Education is Liberation, knowledge is Power!” A one day CBSE workshop on National Education Policy 2020 was organized at Dharav High school, Jaipur on Wednesday, 20 March 2024. The main objective of this Workshop was to create awareness about the newly launched National Education Policy-2020 amongst teachers and to familiarize them with the skills to help them understand its nuances, curriculum changes, shift in the pedagogical skills and its implementation for the 360 degree holistic development of its stake holders, the students. Ms. Rita Bhargava and Ms. Arshi Malik, the resource persons, shed light on the creation of a new structure in place of old, replacing 10+2 with 5+3+3+4. She discussed about the redesigned report cards which will be a “holistic, 360-degree, multidimensional report that would reflect in great detail of the progress, skills and uniqueness of each learner in the cognitive, affective and psychomotor domains. She added that the progress report will include self-assessment, peer assessment and teacher assessment. Bloom’s taxonomy was re-emphasized in details to analyse, understand and evaluate the child’s performance. The resource persons concluded the session by emphasizing on the challenges faced in New Education Policy – 2020. Pertinent points related to NEP – 1. Integration of vocational and academic streams. 2. Radical changes in stress free examination systems to assess real learning. 3. Improvement instead of the passing of judgments. The Principal, Ms Seema Sehajpal, emphasized on the need for Educators to understand and embrace the concepts of integrated and multidisciplinary approaches and the need for development of 21st century skills. NEP is a comprehensive framework to guide the development of education in the country. In school education, the policy focuses on overhauling the curriculum, “easier” board exams, a reduction in the syllabus to retain “core essentials” and thrust on “experiential learning and critical thinking”. The workshop was attended by 60 teachers. It was interactive where doubts were readily cleared by the resource person. It enabled the teachers to gain clear insights on the intent of the topic and be equipped to supplement the expectations of NEP 2020 practically to their classrooms.
